Welcome to the SWDEA Newsletter!

Welcome to the Summer 2026 SWDEA Newsletter! At least twice a year the newsletter will provide members with updates, reminders about upcoming shows, clinics, and volunteering opportunities; information about SWDEA membership and year-end awards qualifications; horsemanship and equestrian care tips from experts; and more!

The newsletter will also be a place to celebrate member achievements and recognize special moments from the year's shows as well as other activities in our equestrian community.

Have a 2026 moment you'd like to share? Send photos / text to secretary@swdea.com for consideration for the next newsletter.
